Re: Survey

Dear Ms. Herrod:

Thank you for your letter dated August 22, 2022, and the survey included. Unfortunately, I cannot respond to some of your survey because I believe to do so may violate my judicial canons. I do however agree with Justice Roberts' statement under item 3. All parties must play by the rules and judges are not to make rules. They are to apply them.

Best Regards,

The Hon. Ronee Korbin Steiner
Judge of the Superior Court
