PROP 133

Amends AZ Constitution to continue current laws allowing political parties to nominate their own candidates.

- Clarifies and retains direct primary elections.
- Protects party elections
- Supported by AZ Free Enterprise Club and Heritage Action for America.
- Bans local governments from holding elections in format they choose.
- Opposed by League of Women Voters and AZ Public Health Association.

PROP 134

Amends AZ Constitution to require signatures from every state legislative district for citizen initiatives.

- Requires signatures from the entire state for citizens initiatives rather than only from the most populated counties.
- Ensures every Arizonan has a voice in the ballot measure process, especially that rural voters have a say on citizen initiatives.
- Supported by AZ Free Enterprise Club and AZ Farm Bureau
- Allows one single legislative district to block a citizen-led initiative for the entire state.
- Makes it more difficult for initiatives to qualify for the ballot.
- Opposed by League of Women Voters and AZ Public Health Association

PROP 135

Amends AZ Constitution to require legislative approval of a governor's emergency declaration beyond 30 days

- Provides check and balance to the governor's emergency powers. During the COVID shutdown, this would have required the legislature to extend the governor's emergency powers after the first 30 days of COVID.
- Supported by AZ Free Enterprise Club
- Threatens public health and safety by hindering long-term responses to emergencies.
- Limits the governor's ability to respond to emergencies.
- Opposed by League of Women Voters and AZ Public Health Association.

PROP 136
